## Messages from the President

Jiquan Chen ([Jiquan.Chen@utoledo.edu](mailto:Jiquan.Chen@utoledo.edu))

2007 was a terrific year for the Chinese Association of Greater Toledo. Our membership was increased to nearly 130 and our gross budget was near \$40,000 (including income from TIYO's international trips to China and Canada). Many activities and events organized by CAGT attracted members of the news media such as the Toledo Blade and TV Station WGTE. In addition to our longtime partners (i.e., Toledo Sister Cities International,

## Spring Festival Celebration

Xueliang Lu ([xlu2@utnet.utoledo.edu](mailto:xlu2@utnet.utoledo.edu))

On February 10, 2008, the University of Toledo Chinese Student Union (UTCSU) and the Chinese Association of Greater Toledo (CAGT) held a grand festival of celebration to welcome The Chinese New Year – the year of the Mouse – also known as the Spring Festival. It was celebrated with performances of Martial Arts, music on traditional Chinese instruments, folk dancing, chorus, orchestra, a rock band, traditional games, comedy acts, food, and much more. Several dignitaries from China and Toledo were present, along with approximately 300-400 guests. Many thanks to all who were involved! For more photos please visit our website at: <http://utcsu.utoledo.edu/flash/springFest2008/>

Families with Children from China, UT Chinese Student Union), CAGT developed new working relationships with the China Task Force, the Chinese Center of Toledo, Ohio Asian Association, Qinhuangdao City, the Chinese Association in Detroit and others. I foresee this momentum will continue in 2008.

CAGT's success and increasing influences would not be possible without the dedicated support from our members. Thanks to Fan Zhang, Hewen Slak, Annie Goh, Ping Liang and all 2007 board members for taking the time to complete the application forms for the IRS. Now, CAGT is a 501C(3) non-profit organization (**Tax ID: 34-1969494**). As of Dec. 20, 2007, your membership and other contributions to CAGT are tax deductible. Yang Kun Song and Toledo International Youth Orchestra committee members have done an extraordinary job in bringing CAGT to the international radar screen. Hui Yan, Tom Fridrick, and other China Dragon rowing team members, you deserved the most credit in winning the championship (Division C) in last year's Dragon Boat Races. Last month, we had our best-ever performance at the Spring Festival. Big thanks to Amy Yang, Jing Meyer, Xueliang Lu and many other volunteers for your exceptional leadership, participation and time. Thanks to Ping Liang and Liping Mo for helping with the tedious budgetary and membership work, Dr. Xiche Hu for putting out four timely newsletters for CAGT, Litza Lee for fundraising for TIYO and other activities and Lynn Liang and Joe Chao for getting the Chinese Center of Toledo organized in such a short period of time. Without your dedicated efforts and talented work, we would not have the largest Chinese school ever in Toledo's history. I have to also thank Dr. Ardenia Terry and Dr. Joe Chao for serving on the board, through which many important decisions have been made. Finally, congratulations to Jing Meyer and Luanne Billstein for receiving the Outstanding Service Award.

I am very excited that a new board, following the updated Bylaws of CAGT, has officially formed. In addition to the continuing members (Jiquan C., Yang Kun S., Luanne B., Jing M., John Henry F. and Hewen S.), we have five new board members (Shanhe Jiang, Mingsheng Li, Litza Lee, Peter You, Liz Villarreal and Hong Xiao). I am especially happy that Dr. Shanhe Jiang agreed to serve as the Vice President. To promote CAGT, many folks have made significant financial contributions (e.g., Aaron & Marayart Lee, E.E. Chang, Xinfang Lu, Chit-Guan Goh, Huan-Kun Chang, Jing & Jim Meyer, Dr. Chen Yu Tai, The Flower Drum, Happy Rose, Jing Chuan, China Garden, Yang's Gourmet House and Asian Grocery.) Thank you all for your kind support.

At a recent CAGT meeting, we formed committees to lead various events in 2008, including:

- Events: Amy Yang (Chair)
- TIYO: Liz Villarreal (Chair)
- Nomination: John Henry Fullen (Chair)
- Award: Hewen Slak (Chair)
- Scholarship: Lynn Liang (Chair)
- Choir: Jie Su (Chair)
- Seminar : Qi Wang (Chair)
- Students : Xueliang Lu (Chair)
- Newsletter : Luanne Billstein (Co-chair), Peter You (Co-chair)

The leadership team, including the board members and committee chairs, has also identified several major events to be organized in 2008 and approved approximately \$5,000 as a spending budget for organizing these activities. The events include: Spring and Fall Picnics (co-sponsored with other local groups such as the Chinese Center of Toledo and the Church), TIYO's tour to Europe, the Dragon Boat Festival, the Fall Music Festival, the Taste of Diversity at the Toledo Botanical Gardens and the Winter Legacy Program at the Toledo Museum of Art. Please contact the corresponding committee chairs if you have any suggestions or are interested in participating in the events.

CAGT will continue to grow to a new page. Last month, the Chinese Embassy of Washington D.C. sent a representative to our Spring Festival and, recently, we were asked to nominate candidates to serve on the Advisory Board of "The Asian American Pacific Islander Advisory Council" for Ohio Governor, Ted Strickland. All developments above indicate that CAGT will play a much more important role in the future. However, please do keep in mind that CAGT's mission is to promote Chinese culture, tradition and education in the region. Altogether, we can make this mission an achievement. Please do not hesitate to contact me or Vice President Shanhe Jiang (sjiang@UTNet.UToledo.Edu) if you have any questions or suggestions. Thank you.

### **Outstanding Service Award**

Hewen Slak ([hslak@yahoo.com](mailto:hslak@yahoo.com))

CAGT selects 1-2 individuals every year to receive the "Outstanding Service Award". The award committee is chaired by Hewen Slak for 2007-2008. The basic criteria are:

- Service in participation in CAGT program.
- Initiatives which are responsive to CAGT needs.
- Service may be considered noteworthy.
- The length and degree of their service.
- Service has made lasting or meaningful contributions to the community.
- Service recognized by their peers, CAGT and Toledo community.

The recipients are: Luanne Billstein and Jing Meyer. Congratulations!

**Jing Meyer:** Since 2004 Jing has been an active member of CAGT. She has served as a CAGT board member, CAGT Membership Committee Chair, and has held the office of Vice President of CAGT. Since Jing's been chairing the Membership Committee, she has regularized the CAGT membership. She has worked closely with other members of the Membership Committee, established and maintained an electronic CAGT membership database, regularly communicated various CAGT activities and events to members.

Jing has participated in almost every CAGT event in recent years including Fall Music Festivals, Dragon Boat Races, Taste of Diversity, Winter Legacy program, New Year Celebrations, CAGT Choir, and TIYO fund raising. Among these, one of the most impressive was the Chinese Culture and Arts Exhibition at the University of Toledo. For the past two years, she has organized the show to allow many Chinese to showcase their artistic talent to the community and promote their proud heritage at the same time. Jing herself is also an accomplished artist in Chinese painting, calligraphy and even paper sculpture. Thank you Jing and your supportive husband Dr. Jim Meyer.

**Luanne Billstein:** Luanne has helped CAGT in many major functions and events though out the past 3 years, and has come up with creative ideas in expanding and enriching our presentation to the Toledo community. She has participated in almost all the events organized by CAGT, such as the Dragon Boat Festival, A Taste of Diversity, and Music Festivals. Her family also hosted the social event for the International Youth Academy visitors from China, Japan, Korea and Spain. As a CAGT board member and committee member, she has acted as secretary and newsletter editor and has offered many balanced and objective views in decision making processes. She has also volunteered her time in assisting the Toledo International Youth Orchestra (TIYO) of CAGT. Luanne's contribution to the CAGT is immeasurable.

In her desire to help promote Chinese culture in our local community, Luanne serves as a member of the board for the Chinese Center of Toledo (Toledo Chinese School). She and two of her children take beginner level classes at CCT.

In addition to her service in CAGT and the Chinese Center of Toledo, Luanne has also been instrumental in forming two local Chinese related organizations. One is Families with Children from China (FCC). Since her family moved to Toledo in 2005, she has organized this support system of over 75 Toledo area families who all adopted children born in China. The other group that Luanne founded was the University of Toledo China Care Club, a charitable organization whose mission is helping orphans still residing in China, and creating a link between American adoptive families and Chinese students at the university.

## Europe Trip - March 19-30, 2008

**John Henry** (hjfullen@umich.edu)

The Toledo International Youth Orchestra (TIYO) of the Chinese Association of Greater Toledo (CAGT) was formed in 2000 under the leadership of past CAGT presidents, Hewen Slak and Yang Kun Song. The 50+ member string orchestra performs a diverse repertoire that includes traditional and modern Chinese music as well as western compositions. In April 2007, TIYO traveled to Toledo, Ohio's Sister City of Qinhuangdao,

China for performances and cultural exchange, as a guest of the City of Qinhuangdao, and Qinhuangdao TV. During the trip, twenty-three students met with their counterparts, visited the starting point of the Great Wall, as well as several secondary schools in Qinhuangdao. The trip was co-sponsored by Chinese Association of Greater Toledo and the Toledo Sister Cities International.

Yang Kun Song, Musical Director and Conductor of the TIYO is originally from Beijing, China, where he graduated from the Beijing Conservatory in 1976 and later became the assistant principle cellist of the Beijing Symphony Orchestra. With the recommendation of world-renown cellist, Yo-Yo Ma, Mr. Song studied cello with Professor Steven Elisha at the University of Toledo, and is now a music educator for Toledo Public Schools.

In the spirit of expanding the bridges of international cooperation and knowledge, TIYO is visiting Toledo's Sister Cities of Poznan, Poland and Delmenhorst, Germany with thirty-four students.

Thirty-four students, age ten through seventeen, will travel to Poland and Germany. TIYO includes some of the finest young musicians from the Toledo area. Most are members of the Toledo Youth Orchestras and many have won regional competitions, scholarships, and solo performance opportunities. They are honored and eager to serve as cultural ambassadors for Toledo and the United States, especially in this new opportunity to visit Europe. While in Poznan, TIYO will be visiting the International High School, City Hall, the Sisters of Mercy Orphanage, and perform at 7:00 PM, Monday, March 24 at St Anthony of Padua's Church - The Franciscans.

During the TIYO concert, their musical selections include American, Spanish, Irish, Hungarian, German and Chinese classical music, all performed with strings only. To begin the performance in Poznan, TIYO will perform the national anthem of Poland, Mazurek Dabrowskiego. When asked to critique the TIYO interpretation of the anthem,

Jacek Radomyski shared, "We are always taught in Poland to value our culture and history, but when I heard TIYO perform my national anthem, so far ways from Poland, a feeling of pride and nostalgia for my homeland swelled up inside of me." Mr. Radomyski originally visited Toledo in 2001 as a youth delegate of Poznan in TSCI's International Youth Academy, and recently completed a Masters Degree at the University of Toledo. Thanks to his kind assistance, the 24-page concert brochure is translated into Polish, alongside English and German.

Besides visiting our Sister City of Poznan, the youth of Toledo will visit Warsaw, Krakow, Wadowice, Wieliczka, Auschwitz, Berlin, Bremen and finally our German Sister City of Delmenhorst.

The Toledo International Youth Orchestra of the Chinese Association of Greater Toledo sincerely appreciates the support and assistance from our friends in Poznan, Poland and Delmenhorst, Germany, Toledo Sister Cities International, all the families, and all the individuals and organizations who wish to promote cultural and educational exchange between Poland, Germany and the USA.

**Chinese Association of Greater Toledo Life Time Membership  
CAGT Membership Committee ([jmeyer13@UTNet.UToledo.Edu](mailto:jmeyer13@UTNet.UToledo.Edu))**

Great news for current and potential CAGT members! The CAGT Board passed a Life Time Membership policy at the recent Board meeting. There are three types of Life Time Memberships available beginning March 2008. Life Time Individual membership is \$120; Life Time Family membership is \$200; and Life Time Business membership is only \$280. This means just write one check, you will never need to worry about your membership expiration.

**Toledo Chinese School's Chinese New Year Party  
Yuran Chen: Chinese School Class 7 ([liangye\\_1999@yahoo.com](mailto:liangye_1999@yahoo.com))**

On February 8<sup>th</sup>, the Toledo Chinese School celebrated the upcoming "Year of the Rat" with an "open-to-the public" party complete with food, entertainment, and games at Maumee Valley Country Day School. This was the first party held by the Chinese School. This year's party had a great turnout of over 300 people from families of the Chinese Center of Toledo (CCT), the Chinese Association of Greater Toledo (CAGT), the Toledo Chinese Alliance Church, and Families with Children from China (FCC).

Before and after the party, there were many parent volunteers that helped decorate, set up, and clean up the room. We want to thank all of those individuals. For entertainment during the party, students of various classes of the Chinese Center of Toledo worked together with teachers to put on a variety of acts, such as singing, poetry, cross-talking (xiang sheng), keyboard, and a band.

There were also special performances from the CAGT's Choir and Dance Team, singing and dancing to traditional Chinese music. After these fantastic performances, games were held for all of the kids. Games varied from a ping-pong ball toss to picking up marbles with chopsticks. A special favorite of the children was the bubble-wrap firecrackers.

This party was not only great, but also reminded us of our Chinese heritage and background. I am sure we are all looking forward to next year's celebration, and hope you will all come to join us.

### **Ohio Asian American Coalition**

Michael Byun ([michael.byun@asiainc-ohio.org](mailto:michael.byun@asiainc-ohio.org))

In recognition of health disparities among Ohio's Asian American populations, an Ohio Asian American Health Conference was convened in 2002 and, again, in 2005. At the conclusion of the latter conference, representatives of various Asian American community organizations, health care professionals, students, and community leaders joined to form an Ohio Asian American Health Coalition. While acknowledging that there are many Asian American health care needs, the group focused upon three that were considered to be among the most urgent: (1) hepatitis B and associated liver cancer, (2) mental health, including domestic violence, and (3) prevention and control of tobacco use. There was a general consensus that education was needed to (a) inform health

care providers of the health needs among AA populations and (b) inform members of these populations of existing health care programs and services.

**APIAHF** was established in 1986, the Asian & Pacific Islander American Health Forum (APIAHF) is a national health policy and advocacy organization whose mission is to enable Asian American and Pacific Islanders to attain the highest possible level of health and well-being. ### **Ohio Asian American Health Coalition Receives \$600,000 Grant from Groundbreaking Initiative to Combat Health Disparities**

Michael Byun ([michael.byun@asiainc-ohio.org](mailto:michael.byun@asiainc-ohio.org))

Columbus, Ohio - Ohio Asian American Health Coalition (OAAHC) announced today that it is one of eight community organizations from around the country selected to receive community grants totaling \$4.8 million, part of an unprecedented \$16.5 million national community investment partnership called "Health Through Action for Asian Americans, Native Hawaiians, and Pacific Islanders."

Launched in 2006, Health Through Action is a groundbreaking partnership between Asian & Pacific Islander American Health Forum (APIAHF) and the W.K. Kellogg Foundation. The initiative marks the first time a private sector foundation has joined forces with a national Asian American, Native Hawaiian and Pacific Islander (AA & NHPI) organization to tackle health disparities in the AANHPI communities.

"By supporting organizations that are on the ground and on the front lines of this fight, we are taking a major step toward eliminating the health disparities that exist in our vulnerable communities," said Dr. Ho Tran, President and CEO APIAHF. "We thank the W.K. Kellogg Foundation for partnering with us and congratulate the Ohio Asian American Health Coalition."

Through the initiative, OAAHC will receive \$600,000 for a four-year term to address Hepatitis B and other urgent health and health care issues facing AANHPIs in Akron, Cleveland, Columbus, Dayton, Greater Cincinnati, and others. "We are thrilled to receive this tremendous support from APIAHF and the W.K. Kellogg Foundation," said Michael Byun, Chair of OAAHC. "The generous funding from this groundbreaking initiative bolsters the capacity of OAAHC member agencies to serve the needs of Ohio's AA & NHPI communities."

Asian agencies - Asian Services in Action (ASIA, Cleveland and Akron, OH), Asian-American Community Services (AACS, Columbus, OH), Asian-American Community Service Council (ACSC, Columbus, OH), Asian Festival Corporation (AFC, Columbus, OH), Asian Community Alliance (ACA, Cincinnati, OH), and the Asian American Council (AAC, Dayton, OH) - throughout the state will work together as part of the Ohio Asian American Health Coalition to implement the activities for this grant. The long term goal of the Coalition is to advocate for systems, funding and policy changes to reduce barriers and to improve the health of Ohio Asian Americans.

Health Through Action focuses on five major areas:

- Strengthening the capacity of local communities to conduct effective health programming and advocacy.
- Developing and advancing a national AA & NHPI health agenda.
- Supporting strategies that spur increased data collection and research on AA & NHPI health.
- Supporting the development and implementation of a Native Hawaiian Pacific Islander health agenda
- Building a national network of AA & NHPI communities aimed at achieving optimal health and well-being.

Estimated at nearly 15 million, the AA & NHPI community is the second fastest growing population in the U.S. However, the community's health needs remain underserved, with little existing research and data to accurately measure its social/economic and health status. The research that does exist shows alarming disparity:

- Nationally, 10% of AANHPIs are infected with Hepatitis B compared to 0.1% for whites. Hepatitis B infection is a primary cause for liver cancer.
- Current Population Survey data from 2005 to 2007 reveal that Asian Americans (16%) and Native Hawaiian Pacific Islanders (22%) are more likely to be uninsured than Whites (11%).
- AA & NHPIs have one of the lowest cancer screening rates in the nation but have disproportionately higher rates in lung, breast, liver and cervical cancers.
- Cultural and language barriers routinely prevent AA & NHPIs from accessing prevention, education and treatment services.

After announcing the grants, Health Through Action received Letters of Intent from more than 130 organizations from around the country, of which 30 were invited to submit full proposals. OAAHC was selected in part due to its abilities and commitment to form collaboratives and work with diverse pan-ethnic communities and organizations.

"With this grant opportunity, we will be able to raise the public's awareness to the health disparities and challenges faced by Ohio's growing and diverse Asian American communities. Our action will encourage collaborations with local and state health institutions, legislative and policy makers to develop equitable initiatives and resources to improve Asian American health."
